Specialized in RR 250/T63 Engines & Accessories  
FAA Repair Station # HEFR202K EASA.145.5929

**H**elicopter **E**ngine **R**epair **O**verhaul **S**ervices (*H.E.R.O.S. Inc.*) is pleased

to announce that Mike Broderick has joined the H.E.R.O.S. Inc. team as its new Vice President of Business Development. With over 40 years of helicopter airframe and power plant experience, specifically with the Model 250 turbo-shaft engines, we are confident that he is well equipped for task. Many of you may already know Mike by either attending one of his technical presentations or reading his bi-monthly column in *Air Maintenance Update* magazine ([www.amumagazine.com](http://www.amumagazine.com)). Recently, Mike received the

prestigious **Joe Chase Award** presented by **PAMA/Flight Safety Foundation**. Mike's experience, dedication & strong appreciation for customer support will blend well with and enhance an already strong team of professionals at H.E.R.O.S. Inc.

You can reach Mike 24/7 by calling H.E.R.O.S. direct, via email at [mike@herosinc.com](mailto:mike@herosinc.com), or on his cell phone at (661) 644-5370.
