HEROS, Inc.
7117 Arlington Avenue, Suite E
Riverside, California 92503

Hello Heros,

Thank you for the loan of your test kit. As it turns out you saved us again and we will require no further action following the test. I hope that we didn't take too much time, but it was difficult to schedule a mechanic as necessary. Thanks again for your rapid assistance. Hope everything in the engine repair and overhaul business is treating you at least somewhat fairly.

Sincerely,

Jeff Hubbell
Chief Pilot
